I acknowledge the Existance of one Supreme uncreated God the
Sovereign ruler and allwise govener of the universe Subsisting in three
persons Father Son and holy Ghost I acknowledge the
holy Sperit to be our Sanctifier guide and Comforter
I acknowledge the holy Schriptures to be our only rule
to walk by I believe that in consequence of adams
transgression that the whole world are be com guilty
before God and that we are by nature Children of wrath
being Sunk into a most deplorable condition by Sin
and tha we are utterly unable to recover ourselves from this condition
I herefore believe that the Son of God pitting our deplorable
State and condition took uppon him human nature and
offord himself a Spotless vollenterry Sacrafise to Satisfy
divine justis I accordingly Look for Justifycation and
eternal life only throu faith in Christ believing him
able to Save all that Come to god by him I likewise believe
that it is not only bearly to name the name of Christ
but that we must depart from eniquity I also believe

that our Saviour did institute those two great Sacraments
baptism and the Lords Supper as Seals of the new Covenant &
pledges of his Love to man I would therefore from a long Consideration
and a deep apprehension of this my duty to Christs command
imploring Gods assistance all tho I acknowledge my Self
to be unworthy to be admitted to Such priviledges
I offer my Self to your communion intreating your forgiveness
of what you have Seen amiss in me and your prayers
to God for me that imay have an habitual temper
of mind agreable to the Gospel and Suted to the nature
and desidn of this ordinance Sarah Brigham

Sarah Brigham's

Relation 1785
