Relation

God in his Rich mercy has been pleas'd to reveal to me the
Principals of the christian Religion, & my lost & undone estate
by nature, and the way to Salvation by Jesus Christ, I praise god
who has spared me to this time, and that I have this opportunit-
y to give up my self to him. I praise the most high for his
gracious calls, & invitations to come, and for the Strivings of
the holy Spirit with my Soul, for the awakenings of his Providences
especially in the death of my Husband, - which I received as a Loud
call to be ready also, - I thank God that I have not been left to
Perish under an impenetrable Hardness of heart, & [Scaredness?] of Conscience

I profess to believe the scriptures to be the word of God, and
take them for the rule of my life, & to believe in God as reveal,d in
the Scriptures.

I desire to repose my self ^{entirely} in Jesus Christ, relying on his infinite
merits for my Justification & Salvation, & would humbly wait on
him in his holy ordinances. I humbly ask admission into
church communion here, & your Prayers for me that I may

be a worthy Communicant
