I believe that there is one god in three  
parsons the father the Son and the holy  
ghosh in <sup>^</sup>whome I desier truly to blieve and trust  
I believe also that god creatad man at first  
holy and upright but man being left  
to him Self fell from that that happy  
State and So plunged himself into a State of  
Sin and misery but god So loved the world  
that he Sent his only begotten Son to  
Suffer an ignomines death upon the cros  
I have had a desier to come to this ordanaece  
for Sume time but I dare not venter least I  
Should come unworthy and eat and drink damn-  
ation to myself but I have taken incuriagment  
in Scriptuer as in Isaiah 55-1 ho every one that  
thirsteth come ye to the waters &c and again in  
Rev 22-17 and the Spirit and the bride Say come  
and let him that haereth Say, come and let

him that is athurst come and whosoever will let

him take the waters of life freely

I ask forgiveness both of god and and his people

for all my offences and I earnestly Deiser youer

prayers for me that I may be a worthy

communicant
