I believe that there is one god in three persons

the father the sone and the holy ghost

I believe that christ dyd for my sins and ^{rose} [word struck through]

for my justyfication: I believe that god created

man att first holy and upright but he hath

sought out many inventions: I desire to bless

god that I was born and educated in a christian

land and under the light of the gospell where

we have the means and opportunities of grace: but

I have reason to blush and be ashamed before god

that they have ~~reason~~ been so forgotten and

neglected by me. I acknolege my self to have

been guilty of many ^{great} and agrevated offeⁿces X but

more especially in an hour of temtation I have

been left to fall into the abominable sin

of fornication for which I do abhor my self and

I do exceedingly fear lest god should wholly cast

me of in my sins which would be but just, but

taking courage from these words that christ
jesus came into the world to save ^{even the} ~~sinner~~ of
~~whom I am~~ chief of sinners whereby I do ad:
ventyre to come and cast myself att the feet
of divine mercy humbly imploreing a pardon
for all my past offences ^X ^{But} I do this day humbly
ask the forgiveness of God and all his people
beging your prayers for me that I may walk
more circumspectly & [word struck through] ^{that} I may live as become
a worthy member of christs mistical body

Huldah Miller

I desire unfeignedly to bewail a mispent Life, and
Acknowledge I have led a Life of Folly; and have, by
Reason of my Sin, been Left by a Holy God to fall
into y^e ~~in~~ Scandalous Sin of Fornication; thereby
have dishonord God, by breaking his Righteous Law,
~~and~~ brot a Reproach on myself and [word struck through] y^e Religion
of my Lord & Savior --- I feel Sensible of my
Guilt and with Sorrow of heart. Beg of God that He
would for his mercys Sake, & for the Sake of y^e Lord
Jesus Christ forgive me all my sins especially that of
Fornication – I also Ask the forgiveness of this Chh
and Congregation – and their prayers for me, that
I may truly Repent of my Sins and turn to God who
graciously gives encouragement of mercy to the Returning
penitent Sinner –
