I belive that there is one god in three persons
the father the Son and the holy gost I belive that
Christ died for my sins and arose for my justyfication
I belive that god Created man at first holy and upright
but he hath sought out many inventions I desire
to bless god that I was borne and eddicated in a
Christan Land under the light of the gospel where
wee have the means and oportunity of grace but I have
reason to blush and be ashamed before god that
they have been so forgotten and neglected by me
I acnowledge my self to have been guilty of many
and great agravated offences for which I do abhor myself
and so exceedingly fear least god should wholly cast me of
in my Sins which would be but just but taking
incoragement from these words that Christ Jesus
came into the world to save Sinners whereby I do adventure
to Come and cast myself at the feet of devine mercy
humbly imploring a pa^rdon for all my Sins this day

I humbly ask the forgiveness of god and all his people
beging your prayers for me that I may walk more
curcumspec^{tly} and that I may Live as becometh a
worthy member of Christs mistical body

Joseph Robbins
