The Relation of Abigail Wheelock.

I desire gratefully to acknowledge the goodness of G.
to me, in casting my lot in a Land of Gospel light &
knowledge where I have had the way & means of Sal-
vation made known to me & thro' the redeemer, &
for the Strivings of the holy spirit with my soul, &
for the special awakenings of his providence. I Adore
the divine patience & Long suffering to me, in the
enjoyment of these & his many other mercies. that he has
not given me over to an impenetrable hardness of Heart.
but has by the powerful preaching of his Word, & the
dispensations of his providence, bro^t me to [^]See the wretch-
edness of my condition by nature. and by my many actual
sins. I freely acknowledge I have been a great sinner
but now seriously resolve by the grace of God to
forsake every sin, and to live a religious Life devoted to
the service of my maker.

Respecting my faith – I believe in G the Father Son

and Holy spirit, and the holy Scriptures to [^]be his word
and given for the rule of my faith and Conduct. and do
subscribe to the articles of the christian faith as
expressed ~~in the~~ & comprehended in the Apostles Creed,
& assemblies catechism, I most sincerely implore
forgiveness of God. in & thró Jesus Christ for my manifold
sins & Neglects of His ordinances. and wherein I have
given any just occasion of offence to any of you his
People, I ask your candor & forgiveness. & your prayers
for me that I may be a worthy commimceant &
adorn the profession I have now made, and at last be
received into the eternal Fruition of G in the Kingdom
of Glory
